Pre-season win as club gains early access to new home.

There were smiles all around on Dec 12th 2013, as the club was granted access to our new home at Kilburn much earlier than expected.

Early access to the site provides us with many positives, but the tasks and challenges to establish our new home are many.

We continue to acknowledge the support of the State Government and are excited by what the future holds for our proud club.

In particular Tom Koutsantonis the Minister for Transport and Infrastructure has been a long friend and campaigner for our historic club.

Stay tuned for further updates.
