## CLUB

### JUNIOR TRIALS (BOYS & GIRLS)

#### For 2017 Season

A selection panel headed up by the club Technical Directors **Jimmy Tsekenis**, **Drago Kljajic** (Boys) and **Vince Pagnozzi** (Girls) will oversee all trials and be responsible for all selections. In order for players to be considered for selection, players must attend the majority of the trials for their age group.

Coaches will be present and will assist with their respective age group's trials.

### Key Focus Areas

Key focus areas have been identified for all age groups and are based on the club's playing philosophy of "Keeping possession of the Ball". Throughout players progress common traits and focus on the importance of having good technique in the areas of: ball control (first touch), passing (striking the ball, including shooting, crossing, heading), ball manipulation (running with the ball, dribbling, protecting the ball), movement to create options (angles & triangles), taking on an opponent (1v1 or creating a 2v1) and decision making.

### Key Principles

Punctuality, Attitude, Listening, Hard work, Respect, Conduct.

All players must wear shin pads, boots, be suitably attired and bring a drink. During trials all parents are asked to keep away from the playing fields and watch from designated areas. As a parent you will not be permitted to approach any of the coaching staff, if you have any queries direct them to the committee members on hand.
